Exciting Opportunities Available in the Construction Industry

Looking for motivated people who are interested in highly skilled, high tech careers with competitive wage and benefit packages.

Hear from industry professionals how to access training and work experience in the construction industry. **Women, minorities & veterans are strongly encouraged to attend.**

Information sessions are sponsored by the Construction Careers Foundation in partnership with MN Department of Labor, McGough Construction, SOAR Career Solutions, Minnesota Workforce Center – Duluth, AFL-CIO Community Services & Carpenters Local 361.

This program is funded in part (80%) by a grant from the US Department of Labor's Employment & Training Administration, through the MN Department of Labor & Industry. Construction Careers Foundation received a grant to support career readiness for underrepresented populations.

Individuals with disabilities requiring accommodations to attend this event should contact Vicki at 651.260.3432 or Karin at 651.634.4615 prior to the event.
