

The WBDC's Veteran Services is excited to announce that we have begun our Newman's Own Campus Tours throughout Illinois, Minnesota, and Wisconsin. This half-day event provides entrepreneurial education and business development workshops to male and female active duty, reserve, guard, and retired veteran students and their spouses. This year's campus tours will offer workshops in three growth areas:

Starting your Business from Scratch:

Developing a plan for your business

The 5 M's of Marketing:

A framework to create a successful advertising platform

Introduction to Certifications and Government Contracting

Your growth is our business.
