

Department of Transportation

Community Open House and Job Fair

Stop by and learn about what we do!

- Learn about the work that we do – we are more than just snowplows and construction!
- Get a close up look at the equipment and tools that we use!
- See what it's like to drive a snowplow in our Simulator!
- Learn about the upcoming Twin Ports Interchange project!
- Meet a State Trooper!
- Learn about current and future job opportunities and talk with representatives from **UMD** and **Lake Superior College** about career paths!
- Application assistance available for Job Seekers!

When: Saturday, January 26, 2019
10:00 a.m. – 2:00 p.m.

Where: MnDOT Headquarters Building
1123 Mesaba Avenue
Duluth, MN 55811

Get answers to all your transportation questions!

How do they select projects? * How do traffic signals work? * How are roads designed? * What kind of materials are used to build a road? * How do they decide when to send Snowplows out? * What does a Civil Engineer do? * What can you do with a Civil Engineering Technology degree? * What is MnDOT doing to make roads safer? * What about those roundabouts?? * What projects are planned for the next ten years? * What are Connected and Automated Vehicles? * What jobs are available and how do I apply?

Refreshments will be provided

This is a FREE event – you do not need to register.

Everyone is welcome!
