

FALL 2020 VIRTUAL CAREER FAIR

High School Information

We are excited to invite you to the **FALL 2020 VIRTUAL CAREER FAIR for High School Students**. This Career Fair is being held in tandem with a Job Fair so we will have many industries as well as colleges available to your students, *virtually*. We have hired **Premier Virtual**, a company with outstanding customer service and a visually pleasing “storefront” as the platform for this event.

There is NO FEE for NE MN area high schools or high school students to attend!

A really fun part of this event will include a **SCAVENGER HUNT** in hopes of getting students more engaged and attending as many booths as possible. There will be prizes!! We will send you details and materials for the scavenger hunt closer to the event.

HOW YOUR STUDENTS WILL BENEFIT:

- ◆ Learn how to successfully navigate a virtual career/job fair event
- ◆ Give students the opportunity to explore industries, colleges, and career opportunities
- ◆ Meet and practice small talk with employers
- ◆ Gives students a place where they can safely make mistakes and recover
- ◆ Practice professional behavior
- ◆ With today’s trends of changing career paths more often in a lifetime, students will need the career search skills they learn for the rest of their lives so we can help give them more opportunities to hone their skills

This is a 3-day event so high schools can choose to attend 1, 2, or all 3 days depending upon your scheduling needs.

Dates: Tues Oct 27, Wed Oct 28, & Thurs Oct 29

Time: 10:00 a.m. to 1:00 p.m. each day
