# Job Opening!!

## Utility Person- Laborer Position

Cleveland-Cliffs is recruiting for entry-level Utility Person positions to perform general labor and light mobile equipment operations required to maintain mining operations. This position allows room for advancement based on acquired skills/capabilities as openings become available.

**Starting wage \$23.47 hourly**

**Benefits: 401K, health/vision/dental insurance, vacation/sick time/PTO**

**Full Time, rotating shift, work days vary.**

### Requirements: Email Address & Resume

- Minimum of 18 years of age and possess a high school diploma, GED/HSE from an accredited school
- Highly motivated and able to work in a self-directed team environment with minimal supervision and direction
- Excellent work attendance record, ability to report to work as scheduled, flexibility to work overtime as needed or directed
- Must be able to work shift work, including rotating shifts, weekends, and holidays; Shift work may encompass 8, 10, or 12-hour work shifts
- Ability to work in a variety of different indoor and outdoor environments including very hot, cold and/or noisy surroundings, and at heights and catwalks, including see-through metal gratings. Work environments include exposure to different types of industrial working conditions.
- Candidates must have the physical ability to perform essential job duties and successfully pass a background check, physical exam and a drug screen prior to starting employment

### To be eligible to apply, an individual MUST:

- Be at least 18 years of age
- Have earned a high school diploma, GED/HSE from an accredited school
- Be authorized to work in the United States
- Register on Minnesota Works per instructions above
- Be able to work full-time, including rotating shifts, weekends

Candidates will be referred by the Northeast Minnesota Office of Job Training to Cleveland-Cliffs Minorca to begin the pre-employment process

## Job Duties

- Perform and assist in maintenance tasks as directed by senior operating technicians or maintenance technicians
- Lift tools, equipment, supplies and debris up to 50 pounds from ground level to chest level in order to load, unload, transport or dispose of such items
- Ascend and/or descend from one level through the use of ladders, enclosed stairways and open stairways
- Perform job assignments above and below ground level. Examples include working on ladders, equipment and catwalks or working in basements and scrap pits
- Grasp and control various types of hand and power tools in order to complete assigned tasks
- Push and/or pull various types of equipment in order to complete assigned tasks. Examples include wheelbarrows and hand carts
- Move from one job site to another throughout assigned work areas in order to complete assigned tasks
- Operate mobile equipment.
