Yes No

Check any/all boxes that apply to you:

- Low income and needing additional supports to complete school. Low income includes eligibility for public assistance, recipient of medical assistance or Minnesota Care, or free/reduced lunch
- Disability including physical, mental, learning, emotional, or attending counseling
- Homeless
- Foster child including aged out of care, kinship guardianship, or adoption
- Offender/juvenile justice system
- Pregnant/parenting

Eligibility does not guarantee funding. Recipients will be enrolled in the Workforce Innovation and Opportunity Act young adult program and will receive customized guidance and training support from a professional career counselor in addition to scholarship funds and other financial support services for the duration of their training program. Compliance with the program is required for ongoing funding.
